detected a group of
activist-subversives
planning something...
an attack, perhaps?

What is it?

What are we

You still don't know, charlie?
Where the hell were you
when they gave the orders?
We're at Red Alert

Let me go with you

There's probably
going to be
an attack

No, too risky.
We only need
one person for the job.

I'm here to replace you

Hey Charlie,

Look!!

I'll call...

No time for that.
We have to land.

I have visitors
Have to hurry.

I CAN TRAVEL
BETWEEN
DIMENSIONS
CAN YOU?

Stop! you're
under arrest-

BOOM!!

The
end
